Number/Type Apparatus: 2 engines, 1 ladder, 1 rescue, 2 Boats 1 ambulance

Number of Alarms: 1

Incident Summary: Citizen called 911 to report a vehicle floating away from the Electric St boat ramp partially submerged. Upon MFD arrival vehicle had completely submerged in approximately twenty feet of water, fifty feet offshore. Given the inability to confirm the vehicle was unoccupied, mutual aid assistance was requested from the City of Nashua Fire Rescue Dive Team. NFR divers were able to locate and gain entry into the submerged vehicle confirming it was unoccupied. Vehicle will remain on scene until a private dive and recovery company can raise it in order to be removed. Vehicle owner was on scene and indicated he parked the vehicle near the boat ramp and exited it only returning shortly to find it floating away.
